

Chain Maille Archives Download Process

1. Contact us requesting authorization to download the Chain Maille Archives including your email address.
2. We will send you a PayPal invoice for \$25.00 USD.
3. When we receive payment, we will send you a UserId and Password for the download. These credentials are good for approximately 48 hours. If you need longer, or have problems, contact me and we will work it out.
4. Go to www.bijoux-de-terre.com
 - a. Click on “Chain Maille Archives” on the left side of the screen
 - b. Scan down the page to find where to order the CD, USB drive, or download.
 - c. Enter your UserId and Password and click on “submit”
 - d. Click on “Start the download of the Chain Maille Archives”
5. Create a new Folder to hold the Chain Maille Archives on your hard drive, a thumb drive, or some other device. The device must have at least 140 MB of space available.
6. Execute the downloaded CMA file.
7. Click on “Extract All” from the tool bar.
8. Identify the Folder you created in a previous step, click on “Select Folder”, and click on “Extract”.
9. Click on “StartHere.html” to execute the Chain Maille Archives.
10. Bob’s your uncle.
