

Alligator River – Basic Directions

Prerequisite: Alligator Back

Aspect ratio: 4.3

Class exercise ring size:

18 AWG (1.02mm) 0.172" (4.4mm)

1. Build a length of Alligator Back.

2. Add a row of European 4-in-1.

3. Add a second row of European 4-in-1.

4. Starting at the other end of the chain, stitch the second row of European 4-in-1 together as you did while making the Alligator Back.

5. This is the completed class exercise.

6. The other side of the chain is the side that is usually shown on the outside of a bracelet.
