

## Butterfly Chain – Basic Directions

Class exercise ring size:

Small rings - 18 AWG (1.02mm) 0.156" (4.0mm) – green and plain

Large rings - 18 AWG (1.02mm) 0.172" (4.4mm) – blue and red

1. Close two small green jump rings and place them on a tail wire.

2. Open four small plain jump rings and close them through the pair of small green rings.

3. Open a large blue jump ring and close it through the 2<sup>nd</sup> and 3<sup>rd</sup> small plain rings.

4. Open a large blue jump ring and close it through the 1<sup>st</sup> and 2<sup>nd</sup> small plain rings. Open another large blue jump ring and close it through the 3<sup>rd</sup> and 4<sup>th</sup> small plain rings. Make sure these two large blue rings are on the same side of the large blue ring from the previous step.

5. Open a large blue jump ring and close it through the 2<sup>nd</sup> and 3<sup>rd</sup> small plain rings on the opposite side of the two large blue rings (from the previous step) from the first large blue ring through the 2<sup>nd</sup> and 3<sup>rd</sup> small plain rings.

6. Open a large red jump ring and close it through three large blue rings on one side of the chain. Open another large red jump ring and close it through three large blue rings on the other side of the chain.

7. Open a large blue jump ring and close it through both of the two large red rings. Open a second large blue jump ring and close it through one of the large red rings. Open a third large blue jump ring and close it through the other large red ring. Make sure this second and third large blue rings are on the same side of the first large blue ring. Open a fourth large blue jump ring and close it through both the two large red rings on the opposite side of the second and third large blue rings from the first large blue ring.

8. Open a small plain jump ring and close it through one of the large blue rings on the outside of the chain. Open another small plain jump ring and close it through three large blue rings on one side of the chain. Open another small plain jump ring and close it through three large blue rings on the other side of the chain. Open another small plain jump ring and close it through the one large blue ring on the other side of the chain from the first.

9. Open and close two small green jump rings through the four small plain rings.

10. Repeat steps 2 through 9 until complete.
