

## Double Captive Orbital Chain – Basic directions

Similar weaves: Crow, Double Lace, Double Vision, Lacey

Aspect Ratio: 4.3

Class exercise ring size:

- 16 AWG (1.29mm) 0.219" (5.6mm)

1. Close one green ring and put it on a tail wire.

2. Close a blue ring through the green rings. Close two red rings through the blue ring.

3. Hold the chain up by the tail wire so the last four rings are as shown

4. Open a blue ring and pass it through the pair of red ring from the back.

5. Lift up and back slightly and pass the same blue ring through the green rings also from the back.

6. Close the blue ring. Make sure you do the two previous steps the same way for the entire chain.

7. Close two green rings through both of the blue rings on the working end of the chain. This completes one pattern of the weave.

8. Repeat steps 2 through 7 until done.
