

## Double Not DNA Chain – Basic Directions

Similar weaves: DNA Chain, Not DNA Chain

Class exercise ring sizes:

- 16 AWG (1.29mm) 0.500" (12.7mm)
- 16 AWG (1.29mm) 0.406" (10.3mm)
- 18 AWG (1.02mm) 0.156" (4.0mm)

1. Close 1 each of the two largest size jump rings and place them on a tail wire.

2. Add 1 each of the two largest size jump rings through the first pair of large rings.

3. Lock the two pairs of large rings in place with 2 of the smallest jump rings, 1 in each side of the chain.

4. Add 1 each of the two largest size jump rings through the previous pair of large rings.

Arrange the new pair of large rings so it passes through the previous pair in the same relationship as the pair before that.

Lock the new pair of large rings in place with 2 of the smallest jump rings, 1 in each side of the chain.

5. Repeat step 4 until complete.
