

Flat Chain – Basic Directions

a.k.a. Half Persian 3-1 Chain, Persian 1 into 3 Chain

Aspect ratio: 4.5

Class exercise ring size:

- 18 AWG (1.02mm) 0.188" (4.8mm)

Red rings never go through red rings, and blue rings never go through blue rings.

1. “Eye” notation: Adding a ring “through the eye” means that the new ring will go through the two rings at point “A”. “Around the eye” means that the new ring will go through both of the rings at points “B” and “B”. “Outside the eye” means that the new ring will go through one of the rings at point “B”, which ring will be covered in the directions.

2. Punch three small holes about 1/8th to 3/16th of an inch apart in the upper right corner of a business card. Open three blue jump ring and close one through each of the three holes. Close all the remaining blue jump rings.

3. Open a red jump ring and insert it up through the “eye” formed by the 2nd and 3rd blue rings and down “around the eye” formed by the 1st and 2nd blue rings. Close the jump ring.

4. Open a red jump ring, pick up one of the closed blue rings with the red jump ring, and insert the red jump ring up through the last blue ring on the right end of the chain and “around the eye” formed by the last two blue rings on the right end of the chain, keeping it above the previous red ring. Close the jump ring.

5. Repeat the previous step until the chain is the desired length.
