

## Garter Belt Chain – Basic Directions

Class exercise ring sizes:

- 16 AWG (1.29mm) 0.438” (11.1mm)
- 16 AWG (1.29mm) 0.313” (7.9mm)
- 18 AWG (1.02mm) 0.188” (4.8mm)

1. Build a 2-in-2 chain using one of the largest and one of the middle sized jump rings in each link.

2. Twist the end of the chain slightly until the first link is above the third link, with the second link between them. Connect the first and third links together with one of the smallest jump rings. Make sure it does not go through the second link.

3. Continue to twist the end of the chain slightly in the same direction until the fourth link is above the second link, with the third link between them. Connect the second and fourth links together with one of the smallest jump rings. Make sure it does not go through the third link.

4. Repeat step 2 connecting the third and fifth links together.

5. Repeat step 3 connecting the fourth and sixth links together.

6. Repeat steps 4 and 5 until complete.
