Class exercise ring size:

- 16 AWG (1.29mm) 0.188" (4.8mm)

1. Close a green ring and put it on a tail wire.

2. Close a blue ring through the green ring. Close a red ring through the blue ring.

3. Hold the chain up by the tail wire so the last three rings are as shown

4. Open a blue ring and pass it through the red ring from the back.

5. Lift up and back slightly and pass the same blue ring through the green ring also from the back.

6. Close the blue ring. Make sure you do the two previous steps the same way each time for the entire chain.

7. Close a green ring through both of the blue rings on the working end of the chain. This completes one pattern of the weave.

8. Repeat steps 2 through 5 until done.
