

Viper Basket – Basic Directions

Similar weaves: Orbital Vipera Berus, Vipera Berus, Vipera Berus Doubled

Class exercise ring size:

- 16 AWG (1.29mm) - ID 0.203" (5.2mm)
- 16 AWG (1.29mm) - ID 0.313" (7.9mm)

Note: The small jump rings must fit inside the large jump rings.

1. Build a 2-in-2 chain using the small jump rings.

2. Add a large jump ring to the 1st and 3rd pairs of rings in the Cable chain.

3. Add a large jump ring to the 2nd and 4th pairs of rings in the chain on top of the previous large ring.

4. Add a large jump ring to the 3rd and 5th pairs of rings in the chain on top of the previous large ring.

5. Continue adding large jump rings in a similar manner, i.e. 4th and 6th pairs, 5th and 7th pairs, etc. until done.
