

Glass Rod Inventory - Silver Glass (COE 104)

2/9/2018

Type	Stock #	Color	Weight in oz	Manufacturer's Price per pound	Our Asking Price
We are selling the rods in packages as listed.					
Weights are truncated to the lower full oz.					
We are not selling partial packages or individual rods at this time.					
Please identify the packages and we will calculate the final price and shipping.					
Because of the weight, it would be best to pick your order up locally in Raleigh, NC, or cross paths with John when he is teaching at Wm. Holland.					
If you purchase significant quantities we may give an additional discount.					
Sale pending for packages that are overstruck .
